RELEASE DATE

The Cleveland Cobras season came to an abrupt end last Friday night in Providence as they dropped a 2-1 decision to the Rhode Island Oceaneers in the first round the the American Soccer League playoffs.

Cleveland concluded the season with a 9-7-4 record which was good for third place in the ASL's Eastern Division. The season is not over for a number of the Cobras players as they will be competing in other professional leagues during the off-season.

Roberto Oliveira is the first Cobra to be invited to tryout with the U.S. National Team. He is only one of three American Soccer League players to be granted an invitation.

Dave Leckie, the Cobras captain, and Cleveland's brother combination, Carlos and Robert Scott will do their kicking in the German-Hungarian League of New York. This is considered the top semi-professional organization in the U.S.

A pair of Akron University graduates, Billy Polack and Roby Stahl are headed for Ireland where they will spend the fall and winter. Julio Servin will display his illustrious passing skills in Mexico.

The Cobras would like to thank all of the members of the media for their kindness and coverage. Looking forward to working with you again next season!
