GAME NOTES
PHILADELPHIA at SEATTLE
JULY 26, 1980

Tonight is the Fury's first ever appearance in the Kingdome. Philadelphia and Seattle have met on only one previous occasion with the Fury taking a 1-0 overtime decision at Veteran's Stadium on May 17, 1978 as Ray Schnettgoecke provided the game winner at 99:48. Keith MacRae turned in the shutout.

********** ********** **********

Philadelphia has a 0-4 record in regular season games in domed stadiums, losing a pair of games to both Houston and Detroit. The Fury lost a playoff game in the Silverdome in 1978 to the Express, however, the only victory for the franchise came last August 20 when they defeated the Houston Hurricane in the Astrodome to move into the second round of the NASL playoffs.

********** ********** **********

Fury goalkeeper Bob Rigby sustained a lacerated left elbow in Wednesday night's 4-2 loss to the Edmonton Drillers in Philadelphia. Rigby dove into the goalpost while attempting to stop Edi Kirschner's goal and received 10 stitches to close the wound. Defender Dan Salvemini replaced Rigby in the nets and was called upon to make 4 saves while shutting out the Drillers for the last 22:10 minutes.

The game was played after a 30 minute delay caused by a torrential downpour which caused hazardous conditions throughout the match. Jan Goosens paced the Drillers with a pair of goals. Peter Nogly and Kirschner scored for Edmonton while Joe Kokovic and Bob Vosmaer had Philadelphia's goals.

********** ********** **********

The Fury has played virtually the entire year without the services of the club's leading returning scorer from 1978. 20 year old South Jersey resident Pat Fidelia sustained a fractured left ankle in the second game of the season in Washington on April 13th and has recently begun workouts with the team in hopes of returning this season.

Fidelia had 9 goals and an assist in under 900 minutes playing time in 1979, including a club record 4 goals on August 4th vs. Portland.

********** ********** **********

One of the clubs brightest spots this year has been the play of Fran O'Brien, a 25 year old Irish international. O'Brien has been called upon to play all three midfield positions and has risen to the task, being named the PSRA star of the game on three occasions. He is also the club's leading scorer with 14 points on 5 goals and 4 assists, notching both goals in the recent 2-1 win over the New York Cosmos.

********** ********** **********

Defender Andy Lynch has converted all three penalty kick opportunities this season and now has scored on his last 21 attempts. Lynch, the former captain of Glasgow Celtic in the Scottish Premiere Division, has made 25 of 26 in his professional career.

********** ********** **********

Bob Rigby is currently in 9th place on the NASL list for games played in a career with 165. The league leader is former Dallas standout Roy Turner with 211 games. Rigby ranks second in total minutes played by a goalkeeper behind Ken Cooper and his 29 career shutouts place him behind Cooper(49) and Tony Chursky(35).
